

Role of the Farmer agent

- 1) The link between the Farmer and the global market as the “expert” in managing interactions between the Farmer and the Buyer.
- 2) A Farmer Agent can assist by using their smartphone to:
 - a) Register Farmers phone numbers and details on fromyfarm app.
 - b) Advertise the farmer's produce on their behalf.
 - c) When a Buyer makes an offer the SMS will go directly to the farmer, who can then contact the Agent to instruct them to accept the bid.
 - d) The Agent can make the payment for Contact Details of the Buyer on behalf of the farmer.
 - e) The Agent can assist the Farmer with finalising the arrangement for the Buyer to make payments and organise with the Buyer to take delivery of the produce.

STEP 1 :Register as a farmer Agent

Login or Register to Continue

Register as Farmer

Register as Supplier

Login as Farmer

Login as Supplier

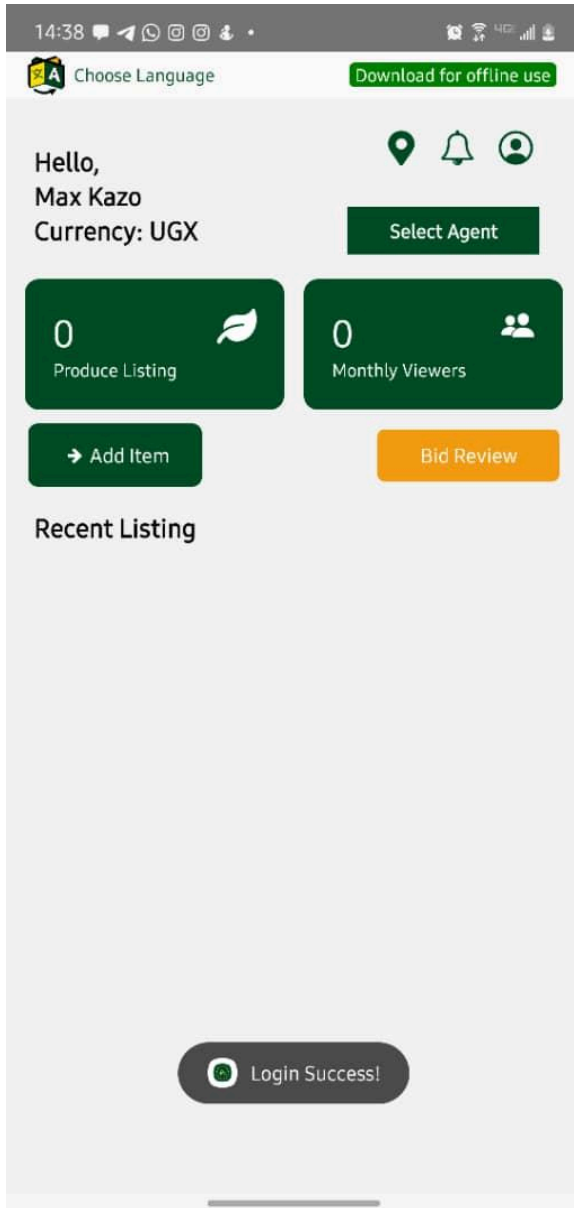

Map

Buy

Sell

Register as a farmer and put the necessary details then login as a farmer. This is the Farmer dashboard that will display after registration

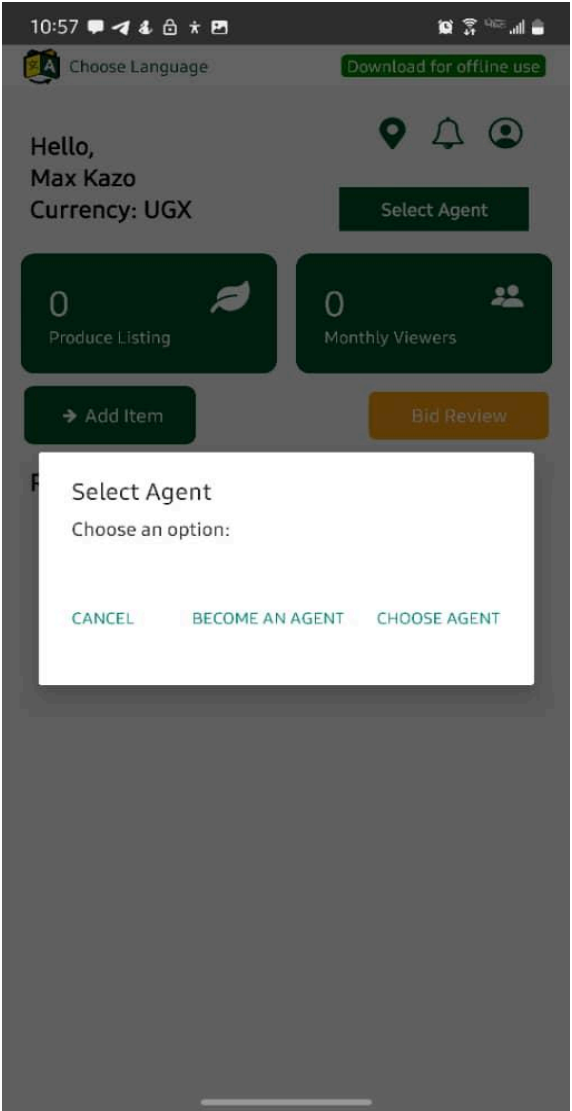

This is

STEP 2 : Become a Farmer Agent

Click the Select agent

and it will bring a pop up where you select the "Become an Agent"

The screenshot shows the 'Agent Registration' screen of a mobile application. At the top, there is a status bar with the time 10:58 and various system icons. Below the status bar, there is a header with a language selection icon and the text 'Choose Language', and a green button labeled 'Download for offline use'. The main title of the screen is 'Agent Registration', with a back arrow on the left. The form contains three input fields: 'Agent Category' with a dropdown menu showing 'Select Category', 'Commission Type' with a dropdown menu showing 'Select Commission Type', and 'Agent Experience' with a text input field containing the placeholder 'Time spent as an agent in years'. At the bottom of the form is a large green button labeled 'Register'.

Fill the fields accordingly .

STEP 3 : Add new farmer

In the Agent Dashboard, There is ;

Acquired Farmers : These are farmers that you have registered under you.

Approved Nominees : These are farmers that you acquired and also farmers that you accepted to be their agent

Pending Approved Nominees: These are farmers that have sent a request for you to be their Agent .

New Farmer: You click this when you have a farmer interested in advertising their produce, This leads you to the register farmer screen .

When the farmer is registered it leads you to the farmer dashboard, where you can help them add produce.

To go back to your Agent Dashboard , You go back to your dashboard as a farmer then Select the “Select Agent” button, then “Become an Agent ” which will direct you to the Agent Dashboard and in the acquired farmer there will be a number “1” .

View Farmers

Click the “Acquire Farmers” box , and you will be able to see a list of farmers you have acquired .

For example here , I have tapped on Time Dave which opened his Dashboard and I am able to add produce and also review bids made from a buyer to the farmer .

Pending Approval Farmers

Farmer: John Doe
Location: Kampala, Uganda
Status: Aug 23, 2024 8:52 PM

Accept

Reject

In the above example, there is a pending Approval when clicked, a farmer called “John Doe” selected you to be their Farmer Agent.

You can either Accept or Decline. When Declined it disappears but when accepted a popup comes showing “Farmer Accepted”

And that farmer is automatically added to the Approved Nominees. As seen the image below.
